## CONTACT TRACING WITH VIVASPORT

As restaurants open around the country - and begin serving their communities - contact tracing will be a vital tool and a civic duty for preventing outbreaks.

VivaSpot can help with this task while providing customer data privacy. VivaSpot also provides your business with a suite of automated marketing services including location-based, email, text messaging and social media marketing.

# What is contact tracing?

Contact tracing aims to identify and alert people who have come into contact with a person infected with COVID-19.

## The Role that VivaSpot Plays

VivaSpot connects with all Smartphones present in your location and can record names, dates and times of each customer's visit.
